

The Fly Right Trio

Require suitable Public Address System to accommodate the venue / audience and the following specifications:

- 4 Channel Mixing Desk
- 2 x Front of House Speakers
- 1 x Fold-Back speaker / Monitor
- 1 x Reverb Unit (Vocals)
- 2 x microphones (Vocals / Saxophone)
- 2 x Boom microphone stands
- 1 x D.I (Double Bass)
- (Guitar will be line in)

The Fly Right trio have their own Microphones and reverb unit, they are more than happy to use these in conjunction with an outside production company. They *prefer* to use their own microphones and require notice if they are to provide their own Reverb Unit.
